TUBERCLE

Index to Volume 68 (1987)

Abdul-Aty, M.: see Bahr, G. M. and others
Acquired immune deficiency syndrome: with special reference to tuberculosis 65
Adenosine deaminase activity in tuberculosis pleural effusions: a diagnostic test 137
Agwanda, R.: see Aluoch, J. A. and others
Akoun, G. M.: see Liote, H. A. and others
Al Shimali, B.: see Bahr, G. M. and others
Aluoch, J. A., Oyoo, D., Swai, O. B., Kwamanga, D., Agwanda, R., Edwards, E. A., Stott, H., Darbyshire, J. H., Fox, W., Sutherland, I.: A study of the use of maternity and child welfare clinics in case-finding for pulmonary tuberculosis in Kenya 93
Asberg, I.: see Lundgren, R. and others
Autopsy, tuberculosis infection transmitted at — 147

Backman, A.: see Katila, M. L. and others
Bahr, G. M., Chugh, T. D., Behbehani, K., Shaaban, M. A., Abdul-Aty, M., Al Shimali, B., Siddiqui, Z., Gabriel, M., Rook, G. A. W., Stanford, J. L.: Unexpected findings amongst the skin test responses to mycobacteria of BCG vaccinated Kuwaiti school children 105
Baker, C.: see Stanford, J. L. and others
Barnes, P. F., Chan, L. S., Wong, S. F.: The course of fever during treatment of pulmonary tuberculosis 253
Bazelly, B.: see Liote, H. A. and others
BCG vaccinated Kuwaiti school children, unexpected findings among skin test responses to mycobacteria 1983 105
BCG vaccination, effectiveness in England and Wales in 1983 81
BCG vaccination, neonatal, and mycobacterial cervical adenitis in childhood 289
BCG vaccination in Ahmednagar, India, protective effect 169
BCG vaccination at birth, tuberculin response of Sri Lankan children 33
BCG vaccination of young children in Agra, India — a region of high contact with environmental mycobacteria, a prospective study 39
Behbehani, K.: see Bahr, G. M. and others
Bennett, E.: see Stanford, J. L. and others
Bhatti, N.: see Stanford, J. L. and others
Biggs, B., Connor, H., Dwyer, B. W., Speed, B. R.: Comparison of a multiple puncture tuberculin test, 'Imotest', and the Mantoux test in an Australian population 283
Blood dyscrasias induced by the antituberculosis drugs, a review 299
Bogle, G.: see Stanford, J. L. and others
Bovine tubercle bacilli, immune response in two populations of naturally infected wild badgers 119
Brander, E.: see Katila, M. L. and others
Brewer, J. I.: see Mahmood, K. H.
Brown, R. C.: see Davies, P. D. O. and others

Calcium and vitamin D metabolism, effect of anti-tuberculosis chemotherapy 259
Casal, M., Gutierrez, J., Gonzalez, J., Ruiz, P.: In vitro susceptibility of *Mycobacterium tuberculosis* to a new macrolide antibiotic: RU–28965 141
Case-finding for pulmonary tuberculosis in Kenya, use of maternity and child welfare clinics 93
Chan, L. S.: see Barnes, P. F. and others
Chugh, T. D.: see Bahr, G. M. and others
Church, H. A.: see Davies, P. D. O. and others
Ciprofloxacin and ofloxacin, bacteriostatic and bactericidal activity against *Mycobacterium tuberculosis* and *Mycobacterium avium* complex 265
Clarke, F. V.: see Cutler, R. R. and others
Collins, F. M., Stokes, R. W.: *Mycobacterium avium*-complex infections in normal and immunodeficient mice 127
Collins, J. V.: see Hanson, P. J. V. and others
Connor, H.: see Biggs, B. and others
Cowan, D. L.: see Wathen, C. G. and others
Cunningham, F.: see Stanford, J. L. and others
Cutler, R. R., Wilson, P., Clarke, F. V.: The effect of polyoxyethylene stearate (POES) on the growth of mycobacteria in radiometric 7H12 Middlebrook TB medium 209

Darbyshire, J. H.: see Aluoch, J. A. and others
Davies, P. D. O., Brown, R. C., Church, H. A., Woodhead, J. S.: The effect of anti-tuberculosis chemotherapy on vitamin D and calcium metabolism 259
Desai, S. G.: see Trivedi, S. S. and others
Dickinson, J. M., Mitchison, D. A.: In vitro activity of new rifamycins against rifampicin-resistant *M. tuberculosis* and MAIS-complex mycobacteria 177
Dickinson, J. M., Mitchison, D. A.: In vitro observations on the suitability of new rifamycins for the intermittent chemotherapy of tuberculosis 183
Dickinson, J. M., Mitchison, D. A.: In vitro properties of Rifapentine (MDL473) relevant to its use in intermittent chemotherapy of tuberculosis 113
Dimmer, C.: see Prabhakar, R. and others

Douglas, A. C.: see Wathen, C. G. and others
Dwyer, B. W.: see Biggs, B. and others

Edwards, A. J.: see Onwubalili, J. K. and others
Edwards, E. A.: see Aluoch, J. A. and others
Edwards, M. L.: see Prabhakar, R. and others

Fever, course during treatment of pulmonary tuberculosis
Fox, W.: see Aluoch, J. A. and others
